

PERUNA TONIC

Are You Well?

What would you give to be perfectly well? All you have got, of course. It may be that your trouble is of a catarrhal nature. Catarrh of the head, Catarrh of the stomach. Catarrh of some internal organ. If so, Peruna will help you on the road to perfect health. If you want to be convinced, buy one bottle. No further argument will be necessary.

Coughs Colds Catarrh

PERUNA TONIC

Simplified.

"I'm trying to figure out a way to enlarge the lobby of my theater," said the manager. "It's entirely too small." "Why not cut out the box office?" suggested one of his patrons. "I haven't been able to buy a ticket there in three years. The speculators have them all."

FALLING HAIR MEANS DANDRUFF IS ACTIVE

Save Your Hair! Get a 25 Cent Bottle of Danderine Right Now—Also Stops Itching Scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its luster, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any store, and after the first application your hair will take on the life, luster and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp. Adv.

The Advantage.

"Hearing those high-priced opera singers on the phonograph is almost as good as hearing them on the stage."

"Better. You can shut them off whenever you like on the phonograph."

DON'T LOSE HOPE IN KIDNEY TROUBLE

I was troubled with what the doctor said was Kidney and Bladder trouble and after trying several doctors, gave up all hopes of ever being well again, until a friend of mine told me about Dr. Kilmer's Swamp-Root. Before I had finished the first bottle I got relief; and after taking six bottles was completely restored to health. I say to one and all that Swamp-Root is a wonderful medicine.

Very truly yours,
MRS. MARTIE VANDERBECK,
409 Johnson St., Moberly, Mo.
Personally appeared before me this 4th day of February, 1914, Mrs. Martie Vanderbeck, who subscribed the above statement and made oath that the same is true in substance and in fact.

O. RULICK, O'Brien, Notary Public.

Prove What Swamp-Root Will Do For You. Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention this paper. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.—Adv.

That New Hat.

Mamie—How do you like my new hat, Susie?
Susie—Lovely, Mamie; I had one just like it last year.

Eo-Zene Kills Eozema.

Let us prove it. Accept no substitute. If your Druggist does not have it, write to Eo-Zene Co., St. Paul, Minn.—Adv.

Don't think because a mule takes to his heels that he is a coward.

THE EUROPEAN WAR A YEAR AGO THIS WEEK

Jan. 31, 1915.

Kaiser directed German assault on La Bassee.

French zouaves and East Indians won the Great Dune west of Lombardzyde.

Turks were defeated near Sari-Kamash.

German submarine sank two British steamers in English channel.

Riots by the war party took place in Rome.

Feb. 1, 1915.

German evacuated Cernay and burned Alsatian towns as the French advanced.

Russians retook Borjimow trenches and captured many of German landsturm.

Severe cold hampered operations in Galicia.

Turks withdrew forces from Adrianople to defend Tatalja.

German airmen dropped bombs on Dunkirk.

Official order issued in Germany reserving all copper and other metals used in war materials for the army.

Feb. 2, 1915.

German advanced, with heavy losses, southward toward the Vistula and eastward between Beljoun and Orzelew.

German submarine attacked British hospital ship Asturias.

Men from Swedish warship were killed by a mine.

French aviators burned castle in Alsace where German staff officers were housed.

Second contingent of Australian troops reached Egypt.

Werner Horn, German, tried to blow up Canadian Pacific railroad bridge over St. Croix river at Maine border and was arrested.

War relief clearing house for France and her allies organized in New York.

Feb. 3, 1915.

German tried to retake the Great Dune, Belgium.

Severe fighting at Westende.

Russians again poured into Hungary, Austrians yielding important positions.

Portugal sent re-enforcements to Angola, Africa.

Many anti-British rebels in South Africa surrendered.

Turks tried to cross Suez canal and were routed by British.

British gunboats drove Turks back at Kurna.

German auxiliary sunk by British cruiser Australia off Patagonia.

Swiss troops fired on German airmen.

Feb. 4, 1915.

Von Hindenburg hurled 50,000 men at Russian lines near Warsaw.

German evacuated Angola.

Turks defeated in two engagements at Suez canal.

British ships shelled Germans at Westende.

Germany proclaimed waters around Great Britain and Ireland a war zone and warned neutral vessels.

Steamer Aymeric sailed from New York with relief cargo for 12 states for Belgium.

Feb. 5, 1915.

Allies in strong offensive in Belgium.

Russians recaptured Gurnine.

British captured many Turks.

Werner Horn sentenced to jail in Maine.

Allied airmen drove German general from Altkirch headquarters.

Feb. 6, 1915.

Russians shifted troops in East Galicia and Bukovina, looking for general German offensive.

German repulsed at Kakamas, Cape Colony.

Luettia, warned of submarines, flew American flag in Irish sea.

British aviator sank German submarine.

Archives of Turkish government moved to Asia Minor.

WORTH KNOWING

Henry VIII was the first English sovereign to be styled "his majesty."

Serbia is particularly the country of centenarians. One man in every 2,360 has lived to be one hundred years old.

An Italian scientist has developed a method of identification of individuals by means of the veins in their hands.

A New York woman has invented a dining table for schools and institutions in the form of a ring, children being seated both inside and outside to save room.

Italian army engineers will sink a large number of artesian wells in an endeavor to convert a large area of desert land in Tripoli into an oasis by irrigation.

Flour made from the kernel of the cotton seed after the oil has been extracted has been found to have much food value.

Seitutsu, Mass., has won the prize offered by the Massachusetts Forestry association to the city or town in the state making the best showing in the planting of shade trees. Additional trees constituted the prize.

The wolf is at the door of the University of Oklahoma. This is no figure of speech, for the campus is said really to be infested by the beasts.

It is an "allied" movement, including gray and black wolves and coyotes.

Hat pins have been invented in England with flexible points that can be returned into a hat after passing through it.

Electricity is generated by a windmill so successfully at a German technical school that it is estimated that a similar plant could supply light and power for 100 persons at a cost of \$125 a year.

Machinery to sort oranges and lemons with running water, the idea being that sound fruit will sink and frost bitten float, has been patented and dedicated to the public by a California inventor.

Look and Feel Clean, Sweet and Fresh Every Day

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning liniment bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, biliousness, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from any store that handles drugs which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.—Adv.

BILIOUS, HEADACHY, SICK "CASCARETS"

Gently cleanse your liver and sluggish bowels while you sleep.

Get a 10-cent box.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months. Adv.

More Than She Could Stand

"Scan'lous" Remark Made by Young Colored Husband Was Responsible for His Black Eye.

Bob Gibbs, a good-natured and industrious young negro, had brought about the arrest of his new wife. In the testimony it was shown that the girl had spent all she could lay her hands on for dress and self-ornamentation. Her home and husband had suffered in consequence. An altercation had taken place, and the wife had blacked her better half's already dusky eye.

The judge ordered Matty Gibbs to stand up.

"Do you think more of your clothes than of your husband?" the court demanded sternly.

"Ladwy, judge," Matty gasped, "I don't need no time to think dat over. I done cotched him wid clothes, an' 'low dat's how I gott'er keep him. No-buddy never would hit dat nigger if he hadn't made some scandalous remarks 'bout green not gold' wid coal-color."—Case and Comment.

Temperance

(Conducted by the National Woman's Christian Temperance Union.)

PROHIBITION AND PROSPERITY.

The city of Wheeling, W. Va., has, under the first year of state prohibition, experienced the greatest building boom in its history. Other demonstrations of the Siamese-twinslike nature of prohibition and prosperity are indicated in the following items (many more might be cited):

The Reymann brewery was converted into a packing plant, employing 225 men where the brewery employed 75.

White Front cafe rented for \$250 a month. Now as a confectionery it rents for \$300.

The Senate saloon was torn down and on its site a bank is being built.

Within a distance of two blocks buildings (some of them three-story structures), formerly occupied by liquor firms, now house a ladies' and men's furnishings firm, a wall paper store, a drug store, a butcher shop, a shoe store, a confectionery, a billiard room and an automobile agency.
